

REMARKS

The Office Action of June 9, 2006 has been carefully considered.

The specification has been amended to reference the prior PCT application.

Claims 1-33 have been rejected under 35 USC 112, 2nd paragraph, as indefinite on a number of grounds. These claims have now been extensively amended, and withdrawal of this rejection is requested.

Claims 1-33 have otherwise been found to be allowable over the art.

An early allowance of the application with amended claims is earnestly solicited.

If the Examiner believes that further amendments to the claims are necessary before the application can be allowed, he is invited to telephone the undersigned attorney to discuss such changes before issuing another action.

Respectfully submitted,
